Solutions for Every Scale

From home rooftops to industrial megawatts — we engineer the right system for you.

- ✓ 1-10 kW rooftop systems
- ✓ PM Surya Ghar subsidy eligible
- ✓ 25-year performance warranty

- ✓ 10-100 kW on-grid systems
- ✓ Accelerated depreciation benefits
- ✓ Net metering + export income

- ✓ 100 kW+ ground/rooftop
- ✓ HT / LT connection solutions
- ✓ Custom energy audit + BOM

WHY CUSTOMERS CHOOSE US

- ✓ 100% local team — 24/7 availability
- ✓ We file the net-meter application
- ✓ PM Surya Ghar subsidy paperwork — FREE
- ✓ 1-year free AMC included

Tier-1 Components, Honest Specs

#	COMPONENT	SPECIFICATION	BRAND	WARRANTY
1	Solar Panels	10 × 540 Wp Mono PERC / TOPCon (BIS, MNRE)	Waaree	25 yr performance
2	Solar Inverter	5 kW On-Grid String Inverter (MPPT, IP65)	Growatt / Deye (BIS-certified)	10 yr
3	Mounting Structure	Hot-Dip Galvanized GI, wind-load 150 km/h rated	JSW Hot-Dip Galvanized	25 yr rust-proof
4	DC + AC Cabling	TUV-approved 4 mm² DC + 4 mm² AC, fire-resistant	Polycab / RR Kabel	Lifetime
5	Protection & Safety	DCDB + ACDB with SPD, MCB/MCCB, copper earthing	Havells / Phoenix	5 yr
6	Net Metering & AMC	DISCOM application, commissioning, 5-yr free AMC	Harihar Solar Service Desk	5 yr free

 **25 years Panel Warranty**
Performance ≥ 80% at year 25

 **10 years Inverter Warranty**
String inverter, MPPT, IP65

Aftercare You Can Count On

✔ What's Included

- Quarterly panel cleaning + electrical check
- Inverter parameter monitoring
- DC/AC wiring verification
- Earthing & SPD test
- Quarterly generation report

⊗ Customer Scope

- Water + power at the site
- Insurance & physical damage
- Internet connectivity
- Vandalism damage

Response Time

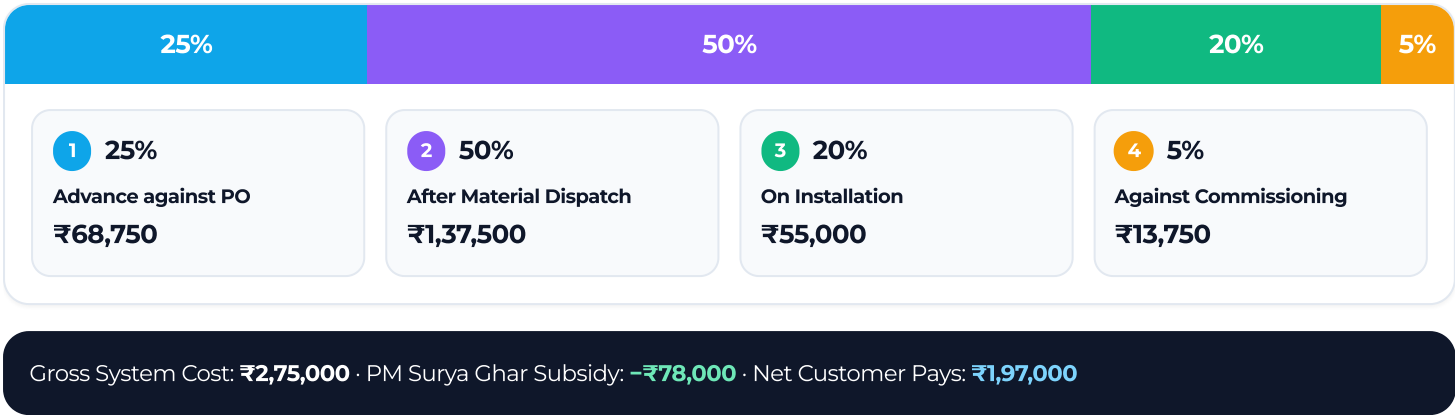

On-site response within 24-48 hrs
